EDUCATION

Bachelor of Science, May 2028

The University of Alabama, Culverhouse College of Business, Tuscaloosa, AL

Major: Management Information Systems

GPA: 3.4/4.0

WORK EXPERIENCE

AI Trainer, July 2026 – August 2026

Meridial Marketplace, Remote (Contract)

- Designed and executed targeted prompt engineering strategies and data to align generative AI model outputs with client-specific quality requirements.
- Evaluated, curated, and annotated audio, video, image, and multimedia datasets to train and fine-tune generative models for creative media applications.

Production Assistant, September 2024 – June 2026

Crimson Tide Productions, Tuscaloosa, AL

- Operated cameras, replay systems, graphics, and broadcast equipment for 8 different sport broadcasts live on SEC Network+, the ESPN App, and national television.
- Created and edited content for Alabama Athletics' social media while supporting in-venue shows through video board, sound, and live event management.

Event Technician, January 2022 – August 2026

Cobb County School District events Office, Kennesaw, GA

- Selected for a competitive program providing classroom training and hands-on experience in event production and technical operations.
- Produced and live-streamed major district events, including 14 high school graduations and monthly school board meetings, collaborating with staff to deliver professional-grade broadcasts to large audiences.

LEADERSHIP EXPERIENCE

Data Analytics Club Secretary, August 2025 – Present

University of Alabama, Tuscaloosa, AL

- Manage member communications and attendance while collaborating with club leadership to plan events, grow membership, and support organizational development.
- Present lectures on specific data analytics concepts and technical skills to assist members in club projects and real applications.
